Cleaning & Care Instructions for Newly Refinished Items

Please do NOT use any of the following for cleaning:

Any scouring pads or abrasive cleaners such as AJAX, Comet, Soft Scrub, etc.

The following are suggested of non-abrasive cleaners to be used:

- 409
- Fantastic
- Mr. Clean
- Simple Green
- Scrubbing Bubbles – Foam Cleaner

Please DO NOT use rubber suction mats in bath tubs or showers! The use of a rubber suction mat WILL void the warranty.

Do NOT drop pots, dishes, or utensils, in kitchen sink as it may crack the finish, causing it to peel.*

Thank you for allowing us to serve your home. We hope these suggestions help maintain your newly refinished item in pristine condition.

Please note: Kitchen sinks are not guaranteed due to type of use.

* FAILURE TO REPORT CONSTANT DRIPPING OR LEAKING OF A FAUCET COULD RESULT IN THE DISCOLORATION OF THE REFINISH AND/OR PEELING. PLEASE REPORT ALL LEAKS TO MANAGEMENT IMMEDIATELY.
